WHAT WE'VE BEEN UP TO!

Caught up with Phil Neville for his weekend football predictions. Luckily, we didn't put the house on it.

Got a surprise present of Up&Go breakfast drinks, but kept our tops on so as not to show up the delivery boy.

ZOO'S GUIDE TO ALL YOU NEED TO KNOW, WATCH, BUY & LAUGH AT THIS WEEK!

ZOO
EXCLUSIVE!

IT'S THE BILLION DOLLAR CHICKEN SHOP'S **BETH SPIBY**

The most talked-about star of the BBC's latest reality smash swaps French fries for French knickers in your favourite magazine!

BETH ON THE SHOW!

For those of you who've been living under an empty bargain bucket for the past few weeks, hit BBC One reality show *Billion Dollar Chicken Shop* follows the lives of KFC employees, the hottest being fiery Mancunian, Beth Spiby. You demanded a shoot, we made it happen!

Now, Beth can say she's been to London *and* worn a thong for the first time! "Don't get me wrong, I love thongs! But I'm all about a bargain, and a five-pack of Frenchies for a fiver suits me!" We know who we'd give employee of the month to...

HEY, BETH! HOW'S YOUR FIRST ZOO SHOOT BEEN?

It's been amazing! Never in my lifetime did I think I'd be lucky enough to have a ZOO cover – I normally spend my days off in bed watching *Gossip Girl*! This is way more exciting! If I'm lucky enough to get another shoot, can I pose with the Kardashians? They're so hot! ➔

PHOTOGRAPHY: James Rudland. STYLING: Lisa Nicolaou

WE'LL SEE WHAT WE CAN DO! WHAT HAS THE REACTION FROM THE PUBLIC BEEN LIKE SINCE THE SHOW AIRED?

I've had nothing but love! So many people have asked me to keep my diary clear for Valentine's 2016, because obviously on the show I said I would always want to remain single! I guess I'm going to have to now, as I'm getting so many interesting proposals!

SUCH AS?

Well, someone asked me to go to Mexico with them for six months in November! So many crazy things! I literally get 20 messages a minute from different guys asking me loads of questions. Somebody actually messaged me on Twitter saying, "Oh my God! I can't believe I've just seen you on the show. I asked for your number at the drive-thru last year. I messaged you but you didn't reply!" So awkward!

SPEAKING OF SOCIAL MEDIA, YOU'RE PROLIFIC ON INSTAGRAM! HOW WILL YOUR FOLLOWERS REACT TO THE SHOOT?

Oh God, they're going to love it! I have comments on all my sexy selfies, so I predict a riot!

WHAT'S THE KEY TO TAKING A SEXY SELFIE?

It's a combination of sexy pout and a hint of cleavage! Once I got all dolled up for a night out, which ended up getting cancelled. I took it as an opportunity to take sexy pics of myself in my room! ➔

"Can I pose with the Kardashians? They're so hot!"

BETH!**

ZOO
EXCLUSIVE!

NICE! NOW, WE'VE GOT TO TALK ABOUT KFC! WHAT WAS THE BEST THING ABOUT WORKING IN A CHICKEN SHOP?

Definitely the daily free meals you get for working there. You have a £6 limit, but I used to work long shifts, so I'd get about £12-worth. I'd get the same thing every day – a Fillet Tower Burger, large fries, a BBQ wrap, the Flaming Wrap, a Mini Fillet Burger with Super Charge Sauce and a large Fanta followed by a Krushem! **NOW YOU'VE MADE US HUNGRY! SO, ARE YOU**

A LEG OR A BREAST GIRL?

Leg all the way! Breast can be too dry, the leg is dead juicy, especially in KFC's special seasoning!

COME ON, THEN: DO YOU KNOW THE COLONEL'S SECRET RECIPE?

Ooh, I couldn't say, otherwise it wouldn't be a secret now, would it? On the documentary, they explain that the two people who know it have to fly on separate planes!

WHAT MEAL WOULD A GUY HAVE TO BUY YOU TO IMPRESS YOU?

or a microwave meal. They can cook it downstairs while I'm in bed watching 90210 with a glass of water and then bring it up to me. That's a sure-fire way to charm your way under the covers! I'm easily pleased! **WE'RE GUESSING YOU'D BE LESS THAN IMPRESSED WITH A KFC BUCKET MEAL...**

I'd think it was a joke, honestly. Please boys, don't put me through that!

HOW WILL YOUR OLD TEAM REACT TO THE SHOOT?

They'll find it hilarious. I'm going back to KFC to leave some copies on the tables – they'll love that! I probably won't take it in to show my current boss, though. My mum's going to buy it and put it up on the wall back home!

HOW ARE YOU PLANNING TO CELEBRATE YOUR FIRST MAGAZINE COVER?

We'd start off with pre-drinks – everyone together getting bladdered – then we'd all pile in a taxi to a club. I love dancing, so my aim would be to spend all night on the dance floor! And the best way to top off my perfect night? Crunchy fried chicken! How good does that sound?

SPECTRE

007

NEW BOND SECRETS

You've watched the mysterious first trailer for SPECTRE, but read on for all the intel to give you the inside track on what's really going on behind the smoke & mirrors...

SEE THE TRAILER AT
ZOOTODAY.COM

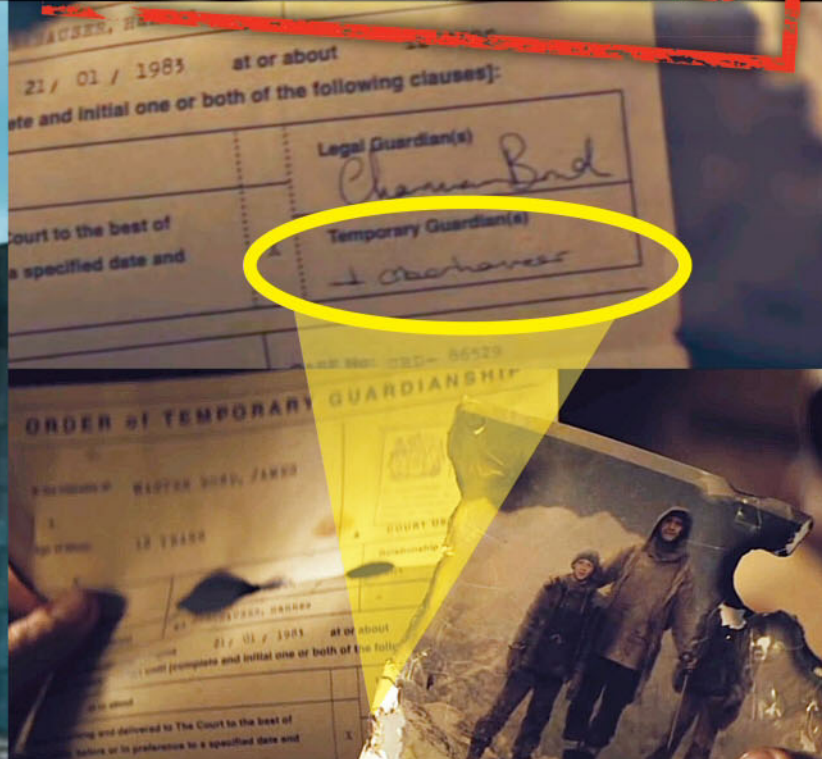

CLASSIFIED

THE
NEW M!

MI6 is (still) in trouble

The MI6 building bombed during *Skyfall* is still in tatters. M (now played by Ralph Fiennes) is struggling to keep the secret service together, which ties into rumours MI5 is to merge with MI6. All signs point towards the SPECTRE strategy of instigating conflict between two powerful enemies – and then seizing control.

Bond's hiding a secret...

Director Sam Mendes isn't done with exploring Bond's mysterious past. While most attention might be on the charred photo of 007 as a child, it's the ageing papers that are far more revealing. Look closer, and Bond's temporary guardian is "J Oberhauser" – the same surname as Christoph Waltz's character.

**OBERHAUSER -
OR BLOFELD?**

That shadowy man

Waltz has been referred to as Oberhauser, effectively making him Bond's stepbrother. He appears as the shadowy head of a secret organisation – presumably the nefarious body SPECTRE, previously controlled by bald mastermind Blofeld. Is this a new direction, or a devious trick up Mendes' sleeve?

**MR WHITE
RETURNS!**

SPECTRE's Quantum connection

The dishevelled-looking fellow in the log cabin is Mr White, leader of Quantum, baddies in Daniel Craig's first two outings. Mendes has brought the franchise full circle and in handing him a SPECTRE ring, it would seem Quantum is merely one of many evil organisations under SPECTRE's control.

HAVE YOU VOTED YET?

ZOO BRITAIN'S COOLEST MAN 2015

...in association with #MenUnited

**PROSTATE
CANCER UK**

The voting for ZOO's Coolest Man 2015 is all but over. Have any of these fellas made a late dash for the UK's most coveted trophy?

Andros Townsend

The Spurs winger defied his critics when he turned in a game-changing performance, bagging an equaliser for England against Italy. Can he bag the title of Coolest Man?

Tom Hardy

The London-born actor's stock couldn't be higher right now, and the stonking new trailer for his *Mad Max* reboot suggests it could be about to go stratospheric. How cool is that? Well, that's up to you...

Henry Cavill

The *Superman* actor is set to make a guest appearance as Clark Kent's alter ego at Jersey RFU's crunch tie vs Guernsey in the Siam Cup. The *Man Of Steel* could fly in and scoop up The Coolest Man trophy.

Fancy seeing moo here

One cow breeder cud not believe what happened when she forgot to lock the back door!

Cow dung

radiation

Break-ins on the Channel Islands are rare. But these intruders weren't cat burglars, but two cows who decided to moo-ve in when their owner forgot to lock the back door.

"I was in the shower and when I came out I could smell something. I looked over the bannister and there it was – a large cowpat," said the owner, breeder Pat Costen.

Despite causing udder chaos treading dung all over the house, the cattle were forgiven. "They were just naughty boys who were inquisitive," said the breeder.

If Pat wants to avoid another bovine break-in, we suggest she beefs up security, pronto!

GEORDIE SHORE

ELECTION CAMPAIGN MANIFESTO

The Geordie Shore gang are back with a new political party to rival the old guard. ZOO jumped on the campaign bus to discover their plans for Britain

GEORDIE PARLIAMENT PAD!

Aaron Chalmers We're disbanding Parliament and turning it into the new *Geordie Shore* house!

Holly Hagan That would be amazing!

Gaz Beadle It would have the biggest shag pad ever, overlooking the Thames!

Marnie Simpson We'd turn the House Of Commons into London's premier super club.

Chloe Etherington A nightclub, aye. That would be mint!

James Tindale I'd have a lift in the middle of Big Ben and different bars on each floor.

HH You'd be f**ked by the time you got to the top!

LIVE DEBATES!

HH Those debates are so boring to watch!

MS And they're so serious!

GB We should start off with a couple of drinks.

AC Jagerbombs!

MS We'd be looking a lot better than most of the competition out there.

JT Obviously, but we'd need to be funny.

GB Let's get some strippers down, that'll make it worth watching and we could have a bit of banter with David Cameron!

TRANSPORT

MS We're getting rid of bikes.

AC We want our own replacement for the Boris Bikes.

GB That's why we're offering jetpacks for public use to solve the public transport crisis.

JT That way, there won't be more transport problems in London.

MS It's awful around London!

JT You just wanna fall asleep. It's all so busy and cramped and dirty and minging.

GB That's why we need the jetpacks!

CUTBACKS

CE We're not big on cutbacks, but we will be cutting back on clothes!

HH We don't need that much material - that's why short skirts and low-cut T-shirts will become mandatory on all nights out!

MS And no coats allowed!

GB I don't agree with the no coats thing!

JT You won't find a cloakroom anywhere in Newcastle!

NHS

HH We want to make Britain beautiful again!

AC So we're gonna give out free spray tans on the NHS!

MS Men, women, children, old people. Everyone can get one - all for free!

JT Everyone looks fit with a tan!

CE A tanned Britain is a sexy Britain, people!

FREE ZOO MAGS?

JT New policy: we should give out ZOO Magazine for free to the public! What do you think, girls?

CE Brilliant!

HH Only as long as I'm on the cover every week.

GB How they gonna do that? They can't pay you if it's free!

AC That's fine - we can just get the whole thing subsidised with money taken from MPs' expenses!

NEW SHORE THING!

**GEORDIE
SHORE**

As Geordie Shore returns for its 10th series, ZOO celebrates with red-hot Chloe Etherington, the show's newest and naughtiest housemate

**CHLOE ON
THE SHOW!**

GEORDIE SHORE'S NEW BABE **CHLOE**

It's back! The endless drinking, partying and bad behaviour – but enough about the return of the ZOO office's Thirsty Thursdays. *Geordie Shore* also hits our screens this week, and with it, new debauched characters who make us laugh and gasp in equal measure.

In true ZOO tradition, Chloe Etherington follows the lead of Vicky Pattison and Holly Hagan by disrobing only for us. Oh, and you, obviously. ➔

GEORDIE SHORE

HI, CHLOE. HOW ARE YOU ADJUSTING TO YOUR NEW-FOUND FAME?

I'm really enjoying it. The attention has been amazing, and I forget when I do something, it gets instant scrutiny. My nipple has already been out in the press! It crept out in the *MailOnline*. I was in a cab with Marnie and it just sort of popped out. At least it was the pierced one, I don't like the other one, it's got a freckle on it!

ARE YOU STRUGGLING TO KEEP UP WITH THE PACE

**GEORDIE SHORE'S
NEW BABE
CHLOE**

**OF GEORDIE SHORE
PARTYING?**

I love it. How am I struggling? I go out every single night! It's true I'm a lightweight. I can get drunk off just one drink. I can get smashed off one Foster's! If I have one drink even at home, I'm just like, "Right, I'm going out!" Even if I have to go out on my own.

**AH, GREAT. SO WERE
YOU COMPLETELY NEW
TO THE CAST BEFORE YOU
JOINED UP THE SHOW?**

I did know Scott before the house. We sort of dated, but we

were never in a relationship. We actually had the worst date I've ever been on before the show. I get all done up in a lovely dress, I go to his house and he just says, "I'm ordering in, what do you want?" I mean, who wants a box of chicken in a guy's flat on a date? I love chicken, but I'm not putting up with that!

**HOW NERVE-WRACKING
WAS IT ENTERING THAT
HOUSE – KNOWING YOU'RE
THE NEW GIRL?**

I was really nervous at first. Because they have been

**“I DO WEAR
TINY SKIRTS,
BUT ONLY
WHEN I'M
FEELING
FRISKY”**

together so long and have their own craic. Marnie had a really difficult time getting involved and they didn't like her. I'm not a nasty person. But they were all dead nice.

**HOW MESSY DID THAT
FIRST NIGHT GET?**

It went well. There was a massive kick-off on the first night! I can't say too much, but there is chaos among both the girls and the boys. As I was new I barely noticed at first that they were really angry with each other, so I just carried on having a good time! ➔

SO, HOW MUCH SEX REALLY GOES ON IN THE GEORDIE SHORE HOUSEHOLD?

Everyone isn't having sex the whole time. I mean, they have sex when they want to. But they're just going out every night, having a laugh. That's what teenagers do. Hang on, I'm 19, am I still a teenager?

WHAT WERE YOU DOING WITH YOUR LIFE BEFORE GEORDIE SHORE STARTED?

I was doing performing arts at Newcastle. I hated it, I was going to drop it! When I started uni at Newcastle, before I quit to do the show, I was out on the lash every night, so why not get paid for it on TV?

TELL US SOMETHING ABOUT YOU WE DON'T ALREADY KNOW.

I have been figure skating since I was six. I am also training to be a choreographer. I can do the splits, get my legs up to my head – perhaps not when I'm wearing a skirt though!

DO YOU DRESS AS RACY AS THE OTHER GIRLS ON NIGHTS OUT?

Oh, I do! I wear jeans. But I'll wear a sexy top slashed right the way down. I do wear tiny skirts, but only when I'm feeling frisky! Not that I know what that means.

DO YOU GET FRUITY IN YOUR DEBUT SERIES?

No! I behaved myself for the whole series. I'll save that for series two! I do have a romance, though, with someone in the house. I have a massive argument with them. Though actually I do have a few arguments in the house – I have an actual fist fight with somebody at one point.

AN ACTUAL FIGHT? THAT DOESN'T SOUND GOOD...

I wouldn't start on me if I was you! Though I hate conflict – I like to behave.

WHAT APPEALED TO YOU ABOUT GOING INTO THE HOUSE – APART FROM THE DRINKING AND THE FAME?

It's like a big family, the kind

PHOTOGRAPHY: James Betts. HAIR & MAKE-UP: Becky Rule. STYLING: Lisa Nicolaou

you get at uni and everyone has a laugh. Oh, and they go on holiday all the time – they spend half their time in Cancun and Australia!

WHAT'S THE SEXIEST THING YOU OWN?

I was given a present, which I suppose you'd call sexy. I had no idea what it was at first. But now, I've got a bullet!

A WHAT NOW?

A bullet – like a vibrator. I got it off Marnie. It was a Christmas gift, I don't mean that I robbed it off her!

BLIMEY. AND WE UNDERSTAND YOU HAVE A CHICKEN FETISH?

I just love chicken. It just tastes so good. I have to watch it now as my mum has gone vegetarian, but I eat so much of it. The taste, my God. It's so good, it makes me hyper! Nuggets, burgers, roast chicken, whole chicken from the supermarket, chicken curry... I don't like spicy chicken, but I'll eat anything else. I have to have it, always. I went into Chicken Cottage and said to the guy, "Please tell me you sell chicken in here!"

All roads lead to Froch

Andre Ward says he wants to fight Carl Froch – and he's so eager he's willing to come to the UK to do it. It's crazy that, after beating Froch, he's now calling him out. It says a lot for Froch's status that you have the No1 guy in the division calling out the No2 guy.

But Andre Ward is not the most entertaining of fighters. You won't see him going to war with the Cobra like George Groves did. Their first fight was more about Ward outmanoeuvring Froch than outfighting him.

I'd rather see Froch have a big-money bout in the States

with Julio Cesar Chavez Jr, or even get Mikkell Kessler out of retirement for a third fight.

I spoke to Froch just the other day and he's still got his eye on boxing, even though he's just got a part in a movie. He's playing a hard man, which will be easy for him – because he is the ultimate hard man.

EMAIL YOUR QUESTIONS FOR DAVID TO HAYEMAKER@ZOOTODAY.COM

IN NEED OF A HAYEMAKER THIS WEEK... PRINCE CHARLES

I'm all for campaigning for saving energy. I've switched all my lighting to LEDs to do my little bit, although I still drive a juicy car. But Prince Charles is taking it to the next level, zooming around in a helicopter.

Maybe he's campaigning on the green issue to counteract the amount he wastes flying around in his chopper.

King of prank calls

Michael Jackson prank-calling Russell Crowe for three years has to be the most random story I've ever heard! I would have loved that to happen to me because Jacko was my favourite artist of all time.

Maybe he was a big fan of Crowe and just wanted some interaction – either that or he had way too much time on his hands. Perhaps being King Of Pop wasn't a full-time job.

Got my vote

It's general election campaign time and I don't have a clue who I'm going to vote for. I haven't really been following it to be fair. Plus I've changed my number since I was last in touch with David Cameron, so I won't be expecting any support-rallying calls from him.

If you can lower taxes and put more money into the NHS, then you've got my vote.

ASK DAVID!

Can Anthony Joshua become the greatest world champion this country's produced?

@JOE_REO88, via Twitter

He'll have a very tall order. You've got the likes of Lennox Lewis, Frank Bruno and myself. But he's looking as good as any of us did after 10 fights, so fingers crossed he stays on that path.

You'll never beat the Irish

I've been glued to the Jose Aldo vs Conor McGregor eight-city tour to promote their upcoming fight. McGregor is my favourite UFC fighter at the moment. He's a quick-witted, sharp-suit-wearing, Irish wrecking ball who's come out of nowhere to ignite the sport.

He faces a top champion in Aldo but he could win and even move up the weights to win more titles. He's a real entertainer – I'll be watching.

A chopper with choons!

Madcap Magnum X-1 from Victory Motorcycles packs more speakers than a Pete Tong party

The ultimate mobile disco!

Pou've bought the leather jacket, you've got the shades and the gleaming custom motorcycle is sat on the driveway, awaiting its first road trip.

But there's an issue: your new chopper doesn't feature a 10-speaker hi-fi system from which to blast heavy metal and wind-up anyone within a two-mile radius.

Fear not, as American motorcycle maker Victory has just announced a brand-new

Magnum X-1 model, which features a 200-watt audio system that will pump your tunes from double figured speakers dotted around the bodywork.

The mobile disco also packs a 1,731cc four-stroke

V-Twin engine that can be mated to a serious set of pipes to ensure that ASBO conviction really sticks this time.

But all this noise doesn't come cheap, of course, as the

Magnum X-1 costs an eye-watering £19,599.

But that cash does bag a set of 21-inch black billet wheels, the latest LED headlamp technology and plenty of built-in storage space for those epic cruises you'll be making along the California coastline.

Or alternatively, you could take a trip to Southend-on-Sea, slap on the latest D&B beats and watch as the scantily clad ravers flock to ogle your two-wheeled sound machine.

FILM
of the week!

Montage Of Heck

There's more to floppy-haired, grunge rocker Kurt Cobain than *Smells Like Teen Spirit* and this documentary give you an insight into his innermost thoughts in the years before Nirvanamania took hold.

With intimate access to his (slightly disturbing) notebooks and interviews with family members, friends and exes, *Montage Of Heck* charts the astoundingly rapid self-

destruction of this major talent. But with VIP access to some of Nirvana's first gigs, you'll be utterly transfixed, itching to be right there in the moshpit.

Whether big on grunge or not, any music fan will be moved by documentarian Brett Morgen's incredible film. It stands out as one of the most powerful and unflinching cinematic portraits of a "27 club" talent ever. ★★★★★

DVD!

Black Sea

Ex-submariner Jude Law is seriously strapped for cash. But with no intention of returning to a miserable job he never cared for, he is approached with a life-changing proposition: plunge back into depressing depths

one more time as the captain of a crew of oddballs and you could win big... Nazi gold big.

Directed by *The Last King Of Scotland*'s Kevin Macdonald, this thriller will reel you in and leave you open-mouthed. ★★★★★

DVD!

The Pyramid

At first, this might look like a low-budget, found-footage horror, but it's actually genuinely terrifying.

Blonde bombshell Ashley Hinshaw plays an archaeologist leading her team into an ancient pyramid.

But once lost inside, the group realise a bloodthirsty creature is hunting them.

There are funny moments thanks to *The Inbetweeners*' James Buckley, but don't watch it alone or you'll be cowering behind your couch. ★★★★★

of the week!

Welcome to
Homes Under
The Hammer

Resident Evil Revelations 2

The original survival horror series has been on the ropes since its 2012 misstep, *Resident Evil 6*. So Capcom requires nothing less than a KO from its latest instalment – and thankfully it doesn't disappoint!

The tension is palpable from the outset, as you take control of fan favourites Claire Redfield and Barry Burton in a bid to escape a zombie-infested penal colony run by a mysterious

overseer. Add in the usual puzzles and oddball partners, such as Barry's F-bomb-loving daughter, and it makes for a hugely enjoyable experience.

Admittedly, the final chapter falls a little flat given the pulsating gameplay up until that point, but it's a small blip in an otherwise top-notch outing that's well worth exploring for fans of the series, both old and new. ★★★★★

The Hot List

Shlohmo Dark Red

If you like your electro mellow (with a hint of r'n'b) and your beats bassy, 20-year-old Californian DJ Shlohmo will be your new obsession. Having previously released EPs with the likes of Jeremih, this second album will be sure to launch his career into the stratosphere. This may be more mental than his previous efforts, but you'll have it on loop for days. ★★★★★

MUSIC!

Good Kill

In the shadowy world of drone warfare, combat unfolds like a video game – only with real lives at stake. After six tours of duty, Air Force pilot Tom (Ethan Hawke) yearns to return to the cockpit of a real fighter. Revealing the psychological toll drone pilots endure in the fight against insurgents, this riveting insider's view of 21st Century warfare demands your attention. ★★★★★

FILM!

Gallows Desolation Sounds

In complete contrast to the dulcet tones of Shlohmo, we give you the emo-screamo Gallows and their eardrum-ruining *Desolation Sounds*. It's their second album without ginger frontman Frank Carter and repeats the move from British punk to a more American sound. It works for some, but we're still mourning the band they used to be. ★★★★★

MUSIC!

Kidnapping Freddie Heineken

The kidnapping of Alfred Heineken, owner of the beer empire, by a group of penniless childhood friends seems like a great true story. But this dramatisation, despite a brilliant cast including Anthony Hopkins and Jim Sturgess, lacks serious action. Still, it's just about good enough for soothing a quiet hungover Sunday afternoon. ★★★★★

SPECIAL

Forget breakfast – we'll take this serial thriller any time of day

Spring has bloomed and so has Emma K! The sexy Page 3 girl is all bouncy blonde hair and soft brown eyes – so innocent on the outside, until her naughtiest side emerges once we start shooting!

Amazingly, her main loves are football and food – which essentially makes her our perfect woman. Her team Derby County aren't yet Premier League. But Emma definitely is... ➔

HI, EMMA. THANKS SO MUCH FOR SHOOTING FOR US TODAY. HAVE WE BEEN GOOD HOSTS?

Yeah, I love the fact that there's a theme. With Page 3 you're just in bikini bottoms with your boobs out! The people are such good fun at ZOO. It's a whole day of mischief!

THIS IS YOUR FIRST ZOO SHOOT SINCE THE 2014 WIMBLEDON COVER, AND AGAIN WE'VE STUCK YOU IN WHITE. ARE YOU A FAN?

I love the white – it feels like I'm enjoying a comfy lounge around the flat! I sneaked a tiny selfie out and my followers seemed to love it! They were all like, "Ooh, nice bra!" Ha ha.

WHERE DOES IT RANK AMONG THE OTHER SEXY PICS YOU'VE TAKEN?

I'm super critical. I always get annoyed when the pics I don't like appear. I think magazines ignore my bum – I do quite like my bum, I work hard on it! I love a picture when I am looking back with my back to the camera.

WE CAN HAVE THAT ARRANGED. YOU DO STILL ENJOY SEEING YOUR SHOOTS IN PRINT, THOUGH?

Oh, yeah. I love going out to buy ZOO when I'm in. I don't tell the guy at the counter I'm in it, I just sneak it out! I like to keep them to show off later – I'll drag them out when I'm an old granny just to prove I had a decent bod!

AND CAN YOU SHARE WITH US YOUR EXPERT OPINION ON UNDERWEAR, PLEASE?

My underwear drawer is such a state at the moment! I'm worried I need to give it a good sort out. I tend to wear plain colours, nothing too bright. Though I love anything lace.

WE'RE NOT SURE YOU NEED PROOF! WE UNDERSTAND YOU'VE JUST BEEN SKIING? THAT REQUIRES A LOT MORE CLOTHES!

I'm actually quite good. But that's also when it starts getting dangerous – because you think ➔

**“
I like my bum.

you can ski and you start getting faster. I tried a red run – a sort of intermediate level – and ended up falling 150m downwards! Thankfully the gods must have known I was shooting for you a week later, so I escaped any bruises.

AND YOU HAVE A SEASON TICKET AT DERBY COUNTY?

I’m a massive Ram. I go to all the home games. We’ve got a brilliant team at the moment and we’ve been in the promotion places for the past few months, so I’m hoping we can go up. I went when we lost in the Play-Off Final last season – a 1-0 defeat to QPR – and it was an absolute robbery! I can’t face that again.

SO, HOW DO YOU CELEBRATE A DERBY WIN?

I like a lovely meal. I like basically anything – gourmet burgers, Sunday roasts, fancy dinners. I do love my pasta dishes and anything Italian. I like cooking – though I basically just cook pasta, which is sort of cheating!

WHAT ARE YOU LIKE WITH DRINKING?

I’m a terrible drinker as I get such bad hangovers. My birthday is January – so I have a bad month then with that and Christmas. I like having ➔

**“
I’m usually in a
tight dress, but

a dance, but I must admit,
while I try to stay classy,
I do make a fool of myself!

**AND WHAT DO YOU WEAR
TO HIT THE DANCEFLOOR?**

I keep it pretty sophisticated,
but pretty skimpy. I'm usually
in a tight dress. I generally
hide my legs away, but
always put a bit of boob
on show.

**OF ALL OUR GIRLS, YOU

**WHERE HAVE YOU BEEN
OFF TO?**

Not always! I have just been to

Harry Potter World in Florida!
Ha ha. Forget the sunshine,
I wanted to go there! I didn't
dress up as him or anything.
That said, I did buy a
Gryffindor jumper.

**APART FROM ALL THE
HARRY POTTER MOVIES,
WHAT ARE YOU
WATCHING ON THE BOX?**

I am addicted to Netflix! I have
been smashing through *Gossip
Girl* – I know that's really old,
but I am just catching up. I was
talking about *Broadchurch*
on Twitter the other day and
I got savaged!

**YOUR TWITTER
FOLLOWERS REVOLTED?**

They're lovely, but one or two
get angry. I got in trouble for
saying I didn't like Leo
DiCaprio's beard. I like stubble,
but when it starts to look like
you've given up then I'm not
so keen.

**WHAT ELSE DO US BLOKES
DO WRONG, THEN?**

This is weird – but I hate guys
who leave toothpaste in the
sink! And lying. Basically, any
guy who lies about leaving
toothpaste in the sink gets
sacked on the spot! Ha ha!

ZOO CHATS TO

EXCLUSIVE
INTERVIEW

WILL

FERRELL

The comedy king talks run-ins with the police, how he'd get ready for prison and being accidentally more successful than Tom Cruise

HI, WILL. WHO DO YOU PLAY IN *GET HARD*, AND WHAT'S HIS JOURNEY?

I play a hedge fund manager who is wrongly accused of embezzling lots of money. I get 10 years in a maximum-security prison, then I run into Kevin Hart's character, and wrongly assume he has spent time in jail. Before he is about to punch me in the face, I offer him \$30,000 to train me and get me ready for prison. Even though I'm the smart, Harvard-educated one, it's Darnell who has the

street smarts to help me figure out how to resolve my situation.

WHO WAS YOUR INSPIRATION FOR THIS? BERNIE MADOFF?

With all due respect to anyone who went to Harvard, It was "Harvard a**hole" who was my inspiration. Someone who thinks that because of their position in life, they know exactly how the world operates. As much as my character knows how to make money, he is completely ignorant of the rest of how the real world works.

**Hart and Ferrell
in Get Hard!**

HAVE YOU EVER HAD ANY RUN-INS WITH THE POLICE YOURSELF?

I grew up in the mean suburb of Irvine, California. It's a pretty tough neighbourhood. I once got a bicycle ticket from Irvine PD for not coming to a complete stop at a stop sign. My other encounter with law enforcement was getting pulled over in Los Angeles in my Prius, doing 50mph in a 35.

IF THE ROLES WERE REVERSED AND YOU WERE TO TEACH KEVIN HART HOW TO SURVIVE IN YOUR WORLD, WHAT WOULD YOU TELL HIM?

How to wear his wallet in his front pocket, how to iron his jeans and wear braided leather belts. Oh, and always signal when making a left-hand turn, with blinker and arm.

WITH ALL THE MOVIES YOU HAVE DONE, YOU'RE APPARENTLY MORE SUCCESSFUL THAN TOM CRUISE NOW. I love it. I'm going to print that up on T-shirts. **DO YOU FEEL LIKE YOU HAVE A FEW MOVIES**

"My eldest son cried when he saw Elf!"

THAT ARE UNDER-APPRECIATED?

We did this movie, *Casa de Mi Padre*, which was entirely in Spanish. People went, "Really? An American comedy star who doesn't speak Spanish does an entire movie in Spanish?" But stats say that the Hispanic audience is one of the largest movie-going audiences in at least America, if not the world. That felt weird, but you can't get caught up in it.

YOU SEEM SO HAPPY. HAVE YOU HAD ANY MAJOR DOWNS?

If you read some magazines, there was maybe one year that I was. I think the films in one year were *Kicking & Screaming*, *Bewitched* and *The Producers*. *Kicking &*

"I was on Twitter for four days. It felt like a burden"

Screaming turned out to be a really big hit with families. *Bewitched* didn't perform the way they thought it was going to, yet it made something like \$125million – which still seems OK! And for *The Producers*, I was only in about six scenes and was nominated for a Golden Globe. That was my bad year. I survived!

DID YOU GROW UP WITH AN AMAZING SENSE OF HUMOUR?

You can't take a stand-up comedy class and learn how to be funny. It was a way to make friends in school, being funny. Or to avoid getting beat up. "I ain't gonna punch you, come make me laugh at lunch!" And it was a way to meet girls, even though it still didn't work for me. I think as a kid, you are drawn to watching funny things.

DID YOU ALWAYS WANT TO BECOME A PROFESSIONAL COMEDIAN?

It's funny, I did actually. I think I was like 10 years old and I wrote an essay on who I wanted to be when I grew up. I said I'd be a professional soccer player and a comedian in the off-season. One out of the two: not bad! **YOU'RE REALLY**

INTO FOOTBALL, THEN?

Yeah, I was the weird kid at school who liked soccer. I started playing in the third grade and just loved it. I'll still kick a ball around with my son. Or my wife.

HAVE YOU LET YOUR KIDS WATCH YOUR MOVIES?

I remember my eldest son saw *Elf* when he was three years old, but he started crying when I floated away on the iceberg. So I said, "You keep watching it. Quit crying! This is about Christmas, this is about joy. So shut up!" But no, it's a weird thing. I never want it to be like, "Take a look at this. Recognise that guy? Pretty good stuff, right? Let's replay that again."

WHY DON'T YOU DO SOCIAL MEDIA?

I was on Twitter for four days. And for me, personally, it felt like a burden. It felt like something I had to keep up. I just knew it would become a burden. I would be like, "I haven't sent out a tweet in like, six months, I feel like I should send one out." Then I'd be like, "Hey everyone. Look at this picture of a sandwich I made." No, that's

terrible. Or, "Looks like it's going to be cloudy today."

YOUR MOVIES ARE FAMOUS FOR BEING QUOTED. WHAT ARE YOUR FAVOURITE QUOTES?

One of my favourites is, "I want to be on you." I've got a lot of, "Shake and bake," of course. And, "You're my boy, Blue." "Let's go streaking!" But most often I get, "Please don't touch me!" I say, "That's not a quote from one of my movies," and they're like, "I know. Please don't touch me."

FINALLY, WHAT'S ON YOUR BUCKET LIST?

I hope to learn Hebrew one day.

➔ *Get Hard* is in cinemas now

ZOO SPORT

THE BEST, BIGGEST AND FUNNIEST STORIES FROM THE WORLD OF SPORT!

LOUIS VAN GAAL

“MY PHILOSOPHY IS TO **ATTACK!**”

Ahead of a crucial Manchester derby, ZOO goes inside the mind of Dutch master Louis van Gaal to reveal the inner workings of the Iron Tulip's football ideology...

I had to be a fast thinker because I was a slow player...

“I was a slow player. So, I had to learn to think very quickly, and that's how I developed my tactical level. Being a captain also meant I had to constantly develop myself. I always knew I wanted to be a trainer or coach, so my philosophy started at that time.”

You have to play the youngsters...

“Don't tell me youngsters cannot play football. I've played 17-year-old players in a Champions League Final: Clarence Seedorf played at 17 in a Final. He was a fantastic player, and Patrick Kluivert was just 18 and scored the winner. I don't believe in experienced players – players just need to fit the profile of your system.”

“I question players like Mata about their positioning”

3-5-2 is all about communication...

“When you play 3-5-2, you have to always keep less than 15 metres between the three centre-backs. That way, it makes it easier to communicate and defend well. Then, the wing-backs can always get forward, even at the same time. I know it's a risk, but then again I'm a risky coach!”

Self-analysis is the only way to improve...

“I always evaluate my philosophy with the players after every game. I ask them questions, because I want to know what the players are thinking. Where Juan Mata has to play, or where the defenders have to play and communicate and cover the space. That's the only way to improve.”

You need the right eye for players...

“You have to buy players that improve your team. That's why I brought Marcos Rojo, because he can play in two positions, which is very good for us. Look at my CV: I was the first to play Xavi, Andres Iniesta and Carles Puyol at Barcelona and Toni Kroos, Thomas Muller and Manuel Neuer at Bayern Munich. Not got a bad eye, have I?”

Ryan Giggs
"Does opposition analysis"

Coaches are like teachers...

"We have to give the players a lot of information, and it's hard for them because they have to switch from instinctive thinking to using their minds. That's why my coaches are there to help. Ryan Giggs gives the opposition analysis, Albert Stuivenberg handles the evaluations and I take care of the tactics. I'm always there and I interrupt my assistants if I need to."

We attack in four phases...

"My footballing philosophy is to play attacking football. That's very important, but you need the right players to do that. I always look for players who can bring that quality to the team. I split attacking football into four phases: every player knows their job, and they need to perform it."

The key is to treat the players like human beings...

"The most important thing is we are a total human being. I consider my players as not only a player who kicks the ball from A to B, but also his environment as a human being. We're on course for the Premier League. I have said from the beginning - 'We shall be champions'. We just needed to build up a new team, which doesn't happen in a day."

Beating Matt Korobov for the title!

HAVE YOU HAD TO BUY A SINGLE DRINK IN IRELAND SINCE YOUR WORLD TITLE WIN IN DECEMBER, ANDY?

I haven't had any time to even enjoy a drink because I was right back in the gym! The welcome when I flew back to Limerick was pretty mad. You had the press and all the people from the city on the runway, and fire engines on either side doing an arch with their hoses.

YOU TAKE ON PETER QUILLIN IN HIS HOMETOWN FOR YOUR FIRST DEFENCE. COULDN'T YOU GET HIM TO THE EMERALD ISLE?

I'm not worried about that. I've fought in New York a few times and its got a strong population of Irish people, so I think the crowd will be 50/50 at least, if not in favour of me.

WHERE HAS THE POWER COME FROM FOR ALL

THESE RIGHT HOOKS YOU KEEP SCORING KNOCKOUTS WITH?

My style has developed since I started training with Adam Booth. Where I used to have that Kronk style of stiff, straight punches, now I sit a lot lower in my legs and punch from the ground up.

WILL IT BE A RACE TO SEE WHO CAN LAND THEIR POWER SHOT FIRST ON FIGHT NIGHT?

I don't think Quillin has ever fought a real puncher. I'm his physical match and I'm slightly bigger, so it could be over very quickly. If I land early I'll go all out to get him out of there.

HOW DIFFICULT WAS THE TRANSITION FROM THE LEGENDARY EMANUEL STEWARD TO THE "DARK LORD" ADAM BOOTH?

It was difficult because Adam and Manny's styles are very different. But I knew I needed a change after I lost to Julio

Quillin: "He's never fought a puncher"

Cesar Chavez Jr and Adam was the only one I approached. But luckily we get on well and it's been pretty successful for both of us.

HOW LONG DID IT TAKE YOU TO PROVE YOURSELF IN THE KRONK GYM, BEING A SKINNY WHITE KID FROM IRELAND?

Emanuel had me sparring on my first day! I sparred with Cornelius Bundrage, who's now a world champion at light middleweight. When you walk through the door at the Kronk they shout "fresh meat" and they want to take you out. But after a week or two they accepted me because I proved myself in there. **BOXING DEFINITELY SEEMS TO BE IN THE BLOOD, GIVEN YOU'RE COUSINS WITH TYSON FURY...**

Our grandmothers are sisters but he grew up in

Manchester and I grew up in Ireland. We keep in touch all the time and I'm a big supporter of his. I think he's going to be the heavyweight champion of the world at some point in the future.

WILL BILLY JOE SAUNDERS GET HIS SHOT AFTER YOU SEE OFF QUILLIN?

Billy Joe can have his shot, but I'm not really looking too far ahead. I agreed to fight Gennady Golovkin last year, but his dad passed away so it never happened – but that's a fight I still want. I also want a rematch against Chavez Jr somewhere down the line.

HAVE YOU SURPASSED YOUR RIVALS MARTIN MURRAY, MATTHEW MACKLIN AND DARREN BARKER, BEING THE MAN WITH THE WORLD TITLE?

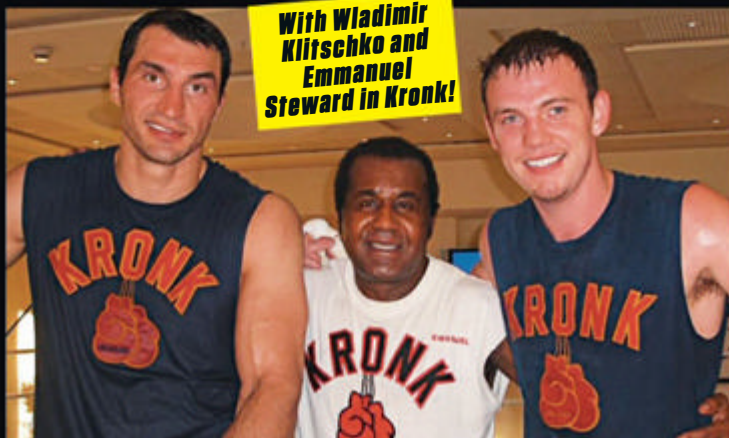

Everyone gets their time to shine and right now it's my time. It's a pity we didn't fight each other to find out who was the best – but I've become world

champion, Darren Barker was world champion and I think that Martin Murray will get there one day.

ZOO calls the Grand National!

Think you can commentate on the greatest race on Earth? We sent ZOO's racing motormouth to have a go...â

With 40 runners tearing over 30 fences and carnage all over the place, the Grand National is a test for the most nerveless commentator.

Name the wrong horse at the winning post and you'll be shamed for all time...

NIGHTMARE JOB

Simon Holt of Channel 4 is the man with the task of calling the runners home this Saturday. He confesses it's a nightmare job. "You study the jockey's colours for a week beforehand and work out which horses might lead early on.

"From the commentary position at Aintree, the horses run away from you for the first few fences, which is where the drama happens. You end up identifying horses almost by looking at their backsides!"

KEEP YOUR EYES PEELED

Stood on the (bloody freezing) commentary gantry, we

prepare to call the shots over a recording of the 2010 running of the race.

A cursory google tells us that Tony McCoy was the winner on Don't Push It, but that doesn't help us with picking out the other 39 runners! We manage to identify Hello Bud, because

the name sounds like a beer, and in our moment of celebration, completely miss half of the fallers and unseats.

SCREAM AT THE RIGHT TIME

As the runners sort themselves out, the commentator can start to pick out more clearly which ones are leading. You still need to keep your cool, even when everyone else is losing theirs.

Simon says, "People think of commentators and they imagine lots of shrieking, but that's absolutely not the case. You have to be calm and cool and remember to only build up your excitement for the final furlong."

Sadly our finish is anti-climatic and we can only manage, "It's Tony, it's Tony!" as McCoy pushes his horse past the post in front. Simon looks distinctly unimpressed.

AIDAN COLEMAN

"INJURIES ARE PAR FOR THE COURSE!"

On-form jockey Aidan Coleman on turning down a 100-1 National winner, jumping cabs and picking himself up after injuries

AIDAN, HOW DO YOU PREPARE YOURSELF FOR THE MOST DANGEROUS RACE OF THE SEASON?

Injuries are part and parcel of being a jockey, so you can't worry about that. I came off the other day and a horse crashed into my head, but that's why we wear helmets. I just got back up and rode the winner in the next race!

AN INJURY MEANS YOU'RE NOW RIDING THE DRUIDS

NEPHEW, A WINNER AT THE CHELTENHAM FESTIVAL...Yeah, it's unfortunate for Barry Geraghty. He rode a great race to win at Cheltenham but after a nasty fall he

broke his shinbone. I've picked up a great ride, though. With the Grand National you never know until you're racing

but the horse gives me a really good chance.

DO YOU STILL KICK YOURSELF FOR CHOOSING STAN OVER THE EVENTUAL 100-1 WINNER, MON MOME, IN 2009?

I was young at the time and had a tough decision to make. I chose the stronger horse, but after the race it felt like the end of the world. But I'm over it now and it's helped me become more streetwise. I won't be making that mistake again.

HOW DO YOU FANCY YOURSELF UP AGAINST AP McCOY IN HIS LAST NATIONAL?

AP is a great jockey. If we both make it to the final fences I wouldn't fancy being neck and neck – he's one hard man to get past when it matters. **WHAT'S YOUR FAVOURITE AINTREE MEMORY?**

I once had to jump a taxi to get there! I had a nasty fall in an earlier race and a horse stamped on my chest. An ambulance took me to the hospital, and after I was discharged, I had to find my own way back. I grabbed the first taxi I saw, but because I was still in my racing gear I had no money. Luckily the driver saw the funny side of it and let me off the fare.

Can Rory bag the Green Jacket?

Sky Sports commentator Richard Boxall previews golf's greatest Major, the US Masters, and the chances of world No1 Rory McIlroy pulling off the career Grand Slam

Rory can do career Grand Slam!

"Rory McIlroy is on for a career Grand Slam and he's got just as much chance of wearing the Green Jacket as any of the last Majors he's won. He's got to answer a few questions early, but if he can hole some putts and start hitting a few fairways then he'll be underway. This game is about getting the ball from A to B in the fewest strokes and no one in the world is better than him at doing that at the moment."

First two rounds are key!

"The secret to the Masters is getting yourself into position in the first two rounds. You can't win the tournament on

the first day but you can certainly play your way out of contention. If Rory can break 70 twice then he'll be right in there. Saturday is moving day, where the players who have made the cut try to move up the leaderboard in preparation for the final push on Sunday."

Hit a certain part of the green!

"Augusta is a very tricky course and Rory will really have to pick the right holes to attack. There are some holes on that course where you don't just go straight at the pin – you have to hit it into a certain part of the green. Because if you don't, then you're looking at taking three putts to the hole – sometimes even four!"

Bubba is Rory's main threat!

"Bubba Watson returns as defending champion and, having won it twice in the last three years, is a smarter and wiser champ. If his driving is on, then he'll be a massive

threat to Rory. But if his driving is slightly off then he'll knock it into too much trouble."

It's the Masters drinking game!

With the world's best descending on Augusta to compete for the famed Green Jacket, ZOO has devised a revolutionary new way to make watching golfers walking about more entertaining!

Don't worry about the Tiger!

"Tiger Woods was at Augusta last week playing a practice round, which was a surprise. If you're a bit iffy with your chipping and your game is not on, then of all the courses in the world, Augusta will really get you. On current form he'll have no chance - you've got to be so spot on there."

THE BEST BANTER FROM THE BACK OF THE STANDS

Hoop dreamer

Gareth Bale has been having a torrid time in Madrid, so no wonder he jumped at the chance to shoot hoops instead. The Wales star beat a slew of players including Demba Ba and Petr Cech in a free-throw contest.

Orient oldie

We've all dreamt of being mascot for our favourite football team, but some longer than others. Sixty-year-old Roy Williams finally achieved his ambition by walking out with his beloved Leyton Orient at Brisbane Road. Let's just hope he didn't have to hold captain Scott Cuthbert's hand.

Angling time

West Ham's Mark Noble found a novel way to spend the international break, wearing funny hats and hauling a whopping great fish out of an Essex lake. Teammate Alex Song has already taken to calling him the Lakeside General.
